TotalRecallVR LinX Essence

Compact stand-alone appliance for medium capacity IP audio logging and call recording in an incredibly small package.

- ✓ 60 IP recording channels
- ☑ 60,000 audio hours recording storage at 64Kbps
- ✓ 600,000 recordings DB storage
- ☑ 3 activation licenses for PC applications
- 🗹 2 years warranty

Easily and securely

record:

Telephones

Record IP (SIP, SIPrec, Cisco[®] Built in Bridge (BiB) and H.323) telephones.

Broadcast Radio

Record public broadcast radio using AoIP, RoIP and RTSP.

2-way Radio

Record analogue, RoIP, DMR, P25, NXDN radios and consoles (Omnitronics[®] RoIP, Tait[®] VRP and Hytera[®] HDAP, Zetron[®] RoIP).

🔮 Public Address

Record IP public address and announcement systems using AoIP, SIP, SIPrec and RTSP.

Record IP intercoms and emergency help points using AoIP, SIP and SIPrec.

Records IP (or VoIP) air traffic management (ATM) and control (ATC) systems using ED-137.

TotalRecallVR LinX Essence

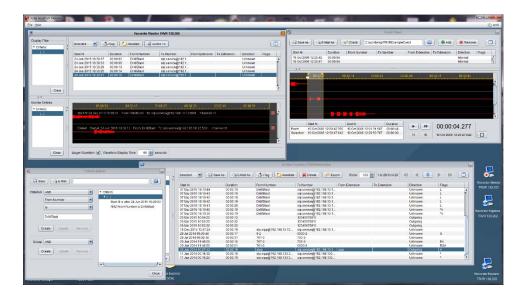

- ✓ 60 IP recording channels
- ☑ 60,000 audio hours recording storage at 64Kbps
- ✓ 600,000 recordings DB storage
- ☑ 3 activation licenses for PC applications
- 2 years warranty (3, 4 or 5 years optional)
- 🗹 Complementary firmware upgrades
- Complementary support
- ✓ Reliable Intel[®] & Linux[®] based platform
- Tamper proof file format
- 🗹 Export to .mp3, .wav, .spx, .afic, .au ...
- Monitor, replay, reconstruct, search ...
- ✓ Choice of 10 value-add PC applications
- Multi-level access control
- ☑ APIs: REST, Java RMI, SIP, RTSP ...
- On-board network and USB archiving
- ☑ NTP clock, SNMP alarms, SMDR integration

- ☑ Tiny-box form factor: 175 x 110 x 40mm
- Powder coated steel
- ☑ 10.1" colour LCD screen with integrated speaker
- 🗹 Custom 24 key keyboard
- Fan-less design
- 2 x gigabit network interfaces
- ✓ 0°C to 40°C operating temperature
- 12VDC power supply
- Solid state disk (SSD) option
- ✓ AMBE decoder option
- ✓ 2x audio storage option
- ☑ BluRay/DVD/CD disc archiving option

✓ IP Recording Interface

- Capacity: up to 60 concurrent sessions
- Interface: Ethernet, 2 x 1GBps, RJ45
- Protocols: SIP, SDP, RTP, SIPrec, Cisco[®] BiB, RTSP, ED-137,
 - Tait[®] VRP, Hytera[®] HDAP, Omnitornics[®] RoIP, Zetron[®] RoIP
- Voice encoding:
 - G.711, 8000Hz, 64Kbps, mono
 - AMBE, 8000Hx, 2450bps, mono
 - PCM, 8000Hz, 128Kbps, mono
- Passive packet capture: via SPAN port
- Active packet capture: TCP, unicast & multicast UDP
